## REVIEW OF SYSTEMS

For new patients, established patients who may be having a new problem, or our patients who we haven't seen for a while, we need to update our records as to your general medical health. In each area, if you are not having any difficulties, please check "No Problems." If you are experiencing any of the symptoms listed, PLEASE CIRCLE THE ONES THAT APPLY, or explain any that may not be listed. If you have any questions about this, please ask one of the technicians, or your doctor.
